Squamish Nation

## Squamish Nation Culturally Significant Vegetation

Compiled by Elizabeth Ross

This list is not exhaustive

- Stinging Nettle (*Urtica* spp.)
- Saskatoon Berry (*Amelanchier alnifolia/semiintegrifolia*)
- Black huckleberry (*Vaccinium membranaceum*)
- Red huckleberry (*Vaccinium parvifolium*)
- Oval leafed blueberry (*Vaccinium ovaifolium*)
- Bog blueberry (*Vaccinium uliginosum*)
- Alaska blueberry (*Vaccinium alaskaense*)
- Mountain bilberry (*Vaccinium membranaceum*)
- Canada blueberry (*Vaccinium Myrtilloides*)
- Arbutus (*Arbutus menziesii*)
- Devil's club (*Oplapanax horridus*)
- Raspberries, Thimbleberries, Salmonberries
- Red Elderberry (*Sambucus racemose*)
- Common Elderberry (*Sambucus canadensis*)
- Soap berry (*Shepherdia canadensis*)
- Western wild ginger (*Asarum caudatum*)
- Coastal wild strawberry (*Fragaria chiloensis*)
- Woodland Strawberry (*Fragaria vesca*)
- Blue Camas (*Camassia quamash*)
- Nodding Onion (*Allium cernuum*)
- Fireweed (*Epilobium angustifolium*)
- Golden Rod (*Solidago Canadensis*)
- Yarrow (*Achilla millefolium*)
- Wapato (*Sagittaria latifolia*)
- Indian Paint fungus (*Echinodontium tinctorium*) grows on white pine trees
- Liquorice fern (*Polypodium glycyrrhiza*)
- White Pine (*Pinus monticola*)
- Arrow-grass (*Triglochin maritimum*)
- Cat-tail (*Typha latifolia*)
- Indian consumption plant (*Lomatium nudicaule*)
- Wild Caraway/Wild carrot (*Perideridia gairgneri*)
- Labrador tea (*Ledum groenlandicum*)
- Bog cranberry (*Vaccinium oxycoccus*)
- Indian Plum (*Osmaronia cerasiformis*)
- Bitter Cherry (*Prunus emarginata*)
- Wild Crabapple (*Pyrus fusca*)
- Wild rose/nootka rose (*Rosa Nutkana/R. gymnocarpa/R. pisocarpa*)
- Black Cap (*Rubus leucodermis*)
- Thimble berry (*Rubus parviflorus*)
- Salmon Berry (*Rubus spectabilis*)
- Trailing wild blackberry (*Rubus usinus*)
- Pine Mushrooms (*Tricholoma murrillianum*)
